Recipients of personal data

Data may be transmitted to personal data processors engaged by BondSpot in connection with services provided to BondSpot, e.g., advisory, audit, IT services.

Recipients of personal data include the Warsaw Stock Exchange (GPW) and MTS Sp.A, which provide access to the IT systems of markets operated by BondSpot.

To the extent of the clearing of exchange trade, data are transmitted to Krajowy Depozyt Papierów Wartościowych S.A.

BondSpot may transmit personal data to public authorities if required by applicable law. Personal data may also be transmitted in case of suspicion of criminal offence or fraud, in which case BondSpot may transmit the data to a supervisory authority.

Data retention period

The data retention period depends on the purpose of the processing. BondSpot will process personal data for as long as required for the purpose of processing in question and in accordance with the applicable retention periods required by the relevant legislation.

Rights of data subjects

Every person has, within the limits of the law, the right to access their personal data, the right to rectification, erasure, restriction of processing, the right to data portability, and the right to object to the processing of their personal data on the basis of legitimate interests of the controller.

Where personal data are processed on the basis of consent, every person has the right to withdraw consent without affecting the lawfulness of processing based on consent before its withdrawal. Every person has the right to lodge a complaint concerning data processing with the President of the Personal Data Protection Office.

**Data sources**

Personal data may be sourced directly from data subjects, from a Member or Participant, and from a party to an agreement concluded with BondSpot.
