**PR01. Procedure for suspension of a Participant's activity on request of a clearing agent or a settlement agent**

- 1) BondSpot (Company) shall suspend the activities of a Participant on the Treasury BondSpot Poland Market (TBSP or TBS Poland) on request submitted to the Company by e-mail by a clearing agent or a settlement agent (used by the participant in clearing or settlement in KDPW\_CCP S.A., KDPW S.A. or the Securities Register operated by the National Bank of Poland). The document containing a request to suspend the activities of a Participant on the Market shall be signed by persons authorised to act on behalf of the clearing agent or the settlement agent and shall be subsequently confirmed by telephone in a manner allowing for identification pursuant to procedure No. PR02 as defined in Annex No. 2 hereto. Persons authorised to act shall be understood as persons indicated by the clearing agent or the settlement agent in the information card filled in by it according to the format determined in Annex No. 4 hereto.
- 2) In case a request referred to in point 1 is received, the Company shall suspend the activities of the Participant on the Market immediately after the telephone confirmation of such request.
- 3) The Company shall allow the Participant to resume its activities on the Market immediately after the receipt of the respective declaration issued by the agent which previously issued the request for suspension pursuant to the procedure and in the format defined in point 1.
- 4) In case of a suspension, the Company shall immediately inform thereof the interested Participant and the agent which submitted the request for the suspension.

## **PR02. Procedure for handling telephone contacts**

If a clearing agent or a settlement agent contacts the Company by telephone, the following principles of such contact shall apply:

### 1) Contact method

A proxy (a person authorised by the clearing agent or the settlement agent in the information card) shall contact the Company using the following dedicated telephone lines:

+48 22 537 74 28;

+48 22 537 74 29,

If contact cannot be established using fixed phone lines, contact using mobile phones shall be permitted at:

+48 607 178 686,

+48 609 748 707,

### 2) Identification of the proxy

An authorised employee of the Company shall identify the proxy who shall provide:

- the name of the clearing agent or the settlement agent,
- the first and last name of the proxy.

**PR03. Procedure for confirmation by settlement agents of the terms of settlement of transactions (BSB/SBB) concluded on the repo market by Treasury BondSpot Poland market participants**

This procedure concerns confirmation of the terms of settlement of transactions where at least one of the counterparties to the transaction is represented in the KDPW settlement system by a settlement agent (custodian bank).

If a TBSP Participant using a custodian bank as a settlement agent is a counterparty to the transaction, the custodian bank shall send a settlement instruction to KDPW confirming the terms of settlement of the transaction.

If both counterparties to the transaction are represented by the same custodian bank, the custodian bank shall send separate settlement instructions to KDPW confirming the terms of settlement of the purchase and the sale of bonds.

Settlement instruction sent to KDPW by custodian banks should be consistent with instruction sent by BondSpot.

1) BSB/SBB whose opening leg is settled at T+0

1. BondSpot shall send to the custodian banks real-time SWIFT settlement messages MT541&MT543<sup>1</sup> which contain the terms of settlement of transactions according to instructions sent to KDPW. The format of such messages is defined in the procedure PR05.
2. BondSpot shall send to KDPW settlement instructions according to the Schedule defined in PR06. KDPW shall generate messages with the status of settlement instructions (with error reason description, if applicable) recorded in the system and send them to the counterparties responsible for the settlement of the transaction and to BondSpot.
3. KDPW shall keep sending messages with the status of settlement instructions during the day according to the KDPW schedule until the transaction is settled.
4. After receipt of a SWIFT message or a message with the status of settlement instruction, the custodian bank shall generate an instruction confirming the terms of settlement and send it to KDPW according to the Schedule defined in PR06.
5. KDPW shall match the settlement instructions from BondSpot and from both counterparties to the transaction/custodian banks; if they match, the settlement instructions shall be presented for settlement at the nearest settlement session.
6. After settlement, KDPW shall generate a message with the status of settlement instruction confirming the settlement of the transaction and a message which contains a participant account statement, and send them to the counterparties to the transaction.

---

<sup>1</sup> To facilitate clearing and settlement, BondSpot has delegated the transmission of SWIFT messages to the system operator MTS S.p.A.

2) BSB/SBB whose opening leg is settled at T+N, where N>0

1. BondSpot shall send to the custodian banks real-time SWIFT settlement messages MT541&MT543 which contain the terms of settlement of transactions according to settlement instructions sent to KDPW. The format of such messages is defined in the procedure PR05.
2. BondSpot shall send to KDPW settlement instructions after the end of trading day. KDPW shall generate messages with the status of settlement instructions (with error reason description, if applicable) recorded in the system and send them to the counterparties responsible for the settlement of the transaction and to BondSpot.
3. KDPW shall keep sending messages with the status of settlement instructions during the day according to the KDPW schedule until the transaction is settled.
4. After receipt of a SWIFT message or a message with the status of settlement instruction, the custodian bank shall generate an instruction confirming the terms of settlement and send it to KDPW in due time necessary to settle the transaction according to the terms of the transaction.
5. KDPW shall match the settlement instructions from BondSpot and from both counterparties to the transaction/custodian banks; the transaction shall be presented for settlement on the date set in the repo.
6. After settlement, KDPW shall generate a message with the status of settlement instruction confirming the settlement of the transaction and a message which contains a participant account statement, and send them to the counterparties to the transaction.

3) Settlement instructions do not match or the conditions of settlement of the transaction are not met on the date set in the terms of settlement

Transactions may be settled at "DVP" settlement sessions in KDPW at the following hours: 10:30, 13:00, and 15:30 pm.

1. If the custodian bank(s) fail(s) to send a confirming instruction or in the absence of funds necessary to settle the transaction, the settlement of the transaction in KDPW shall be suspended.
2. Transactions whose terms of settlement are defined in the settlement instructions sent by BondSpot, which are not settled on the intended settlement date, shall remain pending settlement in the KDPW system for up to 30 business days after the intended settlement date.
3. If the confirmation is not sent or funds necessary to settle the transaction are not delivered in due time necessary to settle the transaction at the 15:30 session on the last day of the period referred to in point 2, the settlement instructions shall be deleted from the system. Such transactions may be settled if the counterparties to such transactions present matching settlement instructions to KDPW.
4. If the settlement of a transaction is suspended in the absence of funds, such transaction shall be presented for settlement at each settlement session until it is settled within the period referred to in point 2.<sup>3</sup>
5. When the custodian bank(s) send(s) a confirming instruction, the transaction shall be presented for settlement at the nearest settlement session.

---

3. Transactions may be settled in part on the terms defined in the applicable KDPW regulations.

6. In the case of suspension of the settlement of (BSB /SBB) (the opening leg), the settlement date of the closing leg shall remain unaffected. The opening leg may be settled within the period referred to in point 2 but no later than the settlement date of the closing leg provided that the opening leg and the closing leg are settled at least one settlement session apart.

**"RPW"** means Registry of Securities, the clearing and settlement institution for zloty denominated Treasury Bills

**"Settlement Instructions"** means any instructions issued by the Bank on behalf of the System Participant in connection with the settlement of Transactions, transmitted to NDS and or RPW by secure electronic means and in the format specified by NDS and/or RPW;

**"the System"** or **"TBS Poland"** means the screen-based system organised and administered by the Company for trading of certain Eligible Securities (as defined in the TBS Poland Rules);

**"Third Party Account"** means the account/s opened in the name of the Bank on the books of NDS and RPW to settle transactions executed on TBS Poland by System Participants who are not direct participants to the NDS and RPW;

**"TBS Poland Rules"** means TBS Poland By-Laws and other regulations of the TBS Poland which may be set and amended by the Company from time to time;

**"Transactions"** means any transactions entered into by the System Participant on the TBS Poland System relating to Financial Instruments.

**1.2** Save as otherwise provided, any reference in this Agreement to:

(i) this agreement or any other agreement or document shall be construed as a reference to this Agreement or, as the case may be, such other agreement or document as the same may from time to time be amended, varied, novated or supplemented;

(ii) a time of day shall be construed as a reference to Warsaw time.

**1.3** Headings are for ease of reference only and shall be ignored in construing this Agreement.

**1.4** The services to be provided hereunder and the parties' respective rights and obligations shall be governed by the terms of the Custody Agreement in addition to the terms of this Agreement. In the event of any discrepancy between the terms of this Agreement and the terms of the Custody Agreement the terms of this Agreement shall prevail.

## **Article 2. Transmission of Settlement Messages**

The System Participant confirms that it has given full power and authority to the Company to transmit Settlement Messages to the Bank on its behalf in respect of Transactions and hereby authorises the Bank to accept Settlement Messages from the Company and to act thereon as if such Settlement Messages had been transmitted by the System Participant. Furthermore, the System Participant confirms that it has given the authority to the Company to receive all information concerning the settlement of Transactions and hereby authorises the Bank to transmit to the Company all such information when required according to the TBS Poland Rules.

## **Article 3. Transmission of Settlement Instructions**

**3.1** On the basis of the Settlement Messages sent by the Company if, in either case, there is sufficient Cash or Financial Instruments credited to the Cash Account or the Securities Account (as applicable), by close of settlement date, pursuant to the NDS and/or RPW Rules, the Bank will send Settlement Instructions to NDS and/or RPW, acknowledging that it must use the settlement details contained in the Settlement Messages.

**3.2** The Bank expressly acknowledges that cannot send Settlement Instructions relating to Transactions if the Settlement Messages do not bear the correct identification code of the System Participant.

**3.3** If the Settlement Instructions relating to Transactions have not been sent by the Bank to NDS and/or RPW by close of settlement date, the Bank will use its best efforts to send them to NDS and/or RPW immediately after this date.

## **Article 4 - Settlement of Transactions**

**4.1** Bank will, upon receipt from NDS and/or RPW, of a settlement confirmation, settle the Transactions by the appropriate debits from and credits to, the System Participant's Cash Account and Securities Account.

**4.2** The Bank may suspend operation of this Agreement effective immediately at any time by giving written notice to the System Participant and the Company of said suspension. The Bank will settle Transactions concluded by the System Participant before such suspension is effective.

## **Article 5. Fees**

[ Fee provisions to be agreed individually by parties]

## **Article 6. Responsibilities**

**6.1** The Bank's sole obligation hereunder shall be to provide the services expressly set out in this Agreement, which it shall undertake with due and proper care. The Bank shall not assume any liability towards the System Participant or any third party for acting in accordance with the provisions of this Agreement and with Settlement Messages in respect of Transactions.

**6.2** The Bank shall not be liable to the System Participant for any losses, costs, damages or expenses suffered or incurred by the System Participant arising directly or indirectly as a result of:

(i) any error by the Company in the transmission of Settlement Messages or in the contents of such Settlement Messages;

(iii) the failure of the Company to transmit Settlement Messages to the Bank in relation to a particular Transaction;

(iv) non settlement of any Transaction for any reason other than the negligence or wilful misconduct of the Bank;

(v) any act or omission of NDS or RPW;

(vi) the failure of any communications or computer systems (including those of TBS Poland and NDS and/or RPW) other than the Bank's;

(vii) any force majeure event.

**6.3** The System Participant undertakes to indemnify the Bank and to hold the Bank harmless from any loss or liability (including without limitation, reasonable attorneys' fees) incurred by the Bank as a result of (i) a breach by the System Participant of its obligations under this Agreement or (ii) carrying out Settlement Messages.

### **Article 7. Termination**

**7.1** The parties have agreed that the duration of this Agreement is indefinite.

**7.2** Either party may terminate this Agreement by informing the other party, even without any forewarning. The termination must be communicated to the Company by the terminating party via register letter fax or by other means providing certified proof that the notification has reached the other party.

**7.3** Subject to receipt of the communication described in clause 7.2, the Company will proceed immediately to make the necessary interventions at system level to reflect the termination of the Agreement.

**7.4** Termination of this Agreement for any cause shall not affect the rights and obligations of the System Participant and/or the Bank existing or outstanding at the date the termination takes effect under this Agreement.

### **Article 8. Governing law and jurisdiction**

This Agreement shall be governed by and construed in accordance with Polish law. In connection with any suit, action or proceedings relating to this Agreement, the System Participant hereby submits to the exclusive jurisdiction of the courts of Warsaw.
